European Patent Application 20764639.9
THERAPY GUIDANCE AND/OR THERAPY MONITORING
FOR TREATMENT OF SHOCK
4TEEN4 Pharmaceuticals GmbH

This refers to the communication dated March 14, 2025:

To the opinion of the Examining Division that no specific threshold value needs to be specified in the claims. The threshold ranges are deleted from claim 1 and 10 as this feature does not seem to overcome the clarity objection. Applicants ask that the presently filed claims shall be the basis for further prosecution and ask that these claims are admitted to the Oral Proceedings. We hereby file an amended set of claims.

BOEHMERT & BOEHMERT
